Introduction from Christopher Trotter,
Chair of Levenmouth LTA

As Chairman of the Levenmouth Local Tourism Association, our main aim is to work with the local community to help bring more visitors to the Levenmouth area and to share our knowledge as both residents and local businesses with each other and with our visitors to the benefit of everyone.

Levenmouth covers a large area running from East Wemyss to the East of Largo bay taking in Kennoway and up to Gilston. It is an extraordinary area full of surprises. We all know about the industrial past of ship building and coal mining, creating very strong communities which are still there today. But look also at the incredible beaches with some of the most stunning sand in Fife. The light over the Forth has attracted artists and poets over the years. We are a creative community with a fledgling arts festival in Largo a strong community in Leven which has worked hard to get the Government to re-open the direct rail link from Edinburgh to Leven. Silverburn park also has an amazing hardworking team behind it. Working to create spaces and events for the community, but above all there is a supportive community of locals who will support all the things that go on. We want to work with you all to create a thriving welcoming place for people to visit and return and to talk about.

I have lived in Upper Largo since 1992 bringing up two sons, one of whom still lives locally and has his business; Trotter's Independent Condiments, with my wife who also works from home as a photographer. I provide food tours and cooking classes and workshops across Scotland. I cycle around the area and it never ceases to amaze me that there are still places I have not seen.

Please join us to share your expertise and experiences to make Levenmouth a welcoming and inspiring place.

Aims

- 1 To connect with all people focused businesses in Levenmouth
- 2 To create a brand to help attract visitors and to help residents realise the potential of our area
- 3 To work to encourage businesses in the region to work together on year-round projects
- 4 To provide a networking group to share ideas and provide mutual support
- 5 To work with other regions within the Fife Tourism Partnership and VisitScotland

Benefits of being involved

We organise two meetings a year to create an informal networking event and to introduce businesses to each other.

Help build links with other regions and keep on top of new ideas from FTP and VS

Ultimately the LLTA wants to be a catalyst to growth in the region, we can't do that without your support
